Dear [REDACTED]

Thank you for registering with USA Youth and High School Rugby. We are delighted that you are participating in Rugby this season! We hope that you have an amazing year ahead and get to experience the wonderful rugby culture this community has to offer.

As part of the registration process, we do require proof of age documents. These can be a birth certificate or any other form of government ID. Once received and reviewed, the age will be checked off as verified against your provided documents. If the document is ineligible or incorrect, the verification will be declined and you will be asked to resubmit.

Please follow the link below to complete this process. Thank you once again for being a part of USA Youth and High School Rugby.

Age Verification Notes:

- The unique URL associated with your RX registration account means that no new username or password is created for ease of use
- This process is only required to be completed once in a member's playing career
- The most common reason a verification request has not been successful would be; the document provided is not official
